

**NEXT GENERATION OF DREAM HOMES OPEN FOR VIEWING  
AT REYNOLDS LAKE OCONEE**

*Daily tours available of new models overlooking The Creek Club*

**GREENSBORO, Ga. (April 4, 2017)** — The next generation of homes at Reynolds Lake Oconee is taking shape at Lingerin Creek, including two new model homes, which overlook the ninth green at The Creek Club.

Part of the Reynolds Lake Oconee Signature Home Collection, both models exhibit a completely fresh design perspective, with the interior and exterior reflecting contemporary living at Reynolds Lake Oconee, which is home to one of the most elite collections of golf courses and other amenities in the United States.

Previous signature show homes at Reynolds Lake Oconee have included the inaugural GOLF Magazine Dream House, two Southern Living Idea Houses, a Golf Digest Signature House, and a Southern Accents Show House. These new homes are the 12<sup>th</sup> model center to open at this premier golf and lake community.

“We continue to create homes where it is easy to envision sharing time with family and friends, which has become synonymous to the quality of life most come to enjoy at Reynolds,” said Glenn Winslette, vice president of development at Reynolds Lake Oconee. “These homes express a healthy mixture of picturesque and functional spaces, leaving those who enter with that feeling of ‘wow’.”

The Lingerin Creek Model Home Center will be available for tours Monday through Saturday, 10:00 a.m. to 5:00 p.m., and on Sunday, 11:00 a.m. to 5:00 p.m. (Eastern).

With a strong professional commitment to excellent construction quality and customer service, two builders within the Reynolds Lake Oconee Signature Home Program – Camden Homes and Dreambuilt, LLC – constructed the Lingerin Creek models atop the wooded hillside along the golf course. Interiors are by Shane Meder of Black Sheep Interiors and Alicia Mooney Interiors.

One of the new model homes offers a refreshing farmhouse-style with clean lines, a mixture of shake and lap siding, well-placed accents of stone veneer, and metal roofing. This 4,250 square foot home has four bedrooms and 4.5 baths. The other new model shows

off an elegant mixture of stone and cedar shake exterior accents, with arched carriage-style doors for the three-car garage. Its oversized kitchen, rear porch, and outdoor fireplace are designed as welcoming gathering places for family and friends.

“The Reynolds Lake Oconee Signature Home Collection exemplifies what members enjoy every day,” Winslette said. “Each new home combines a magnificent golf-front setting with inspired architectural elements and engaging interior design.”

Individually, each of the new models includes an elevator, soaring ceilings, and a backyard practice putting green.
