**WINTERGREEN, Va. (January 9, 2018)** —Winter's harsh elements take a toll on skin and fortunately, Wintergreen Spa at Wintergreen Resort offers rejuvenating body treatments to tame winter woes. The full-service spa, set atop the Blue Ridge Mountains, offers tempting seasonal specials valid through February.

**Winter Rose Rejuvenation** begins with a dry brush buffing treatment to slough away dry winter skin, and is followed by a warm rose oil application. After a brisk day outdoors, this treatment nourishes and hydrates both body and spirit. The 50-minute treatment is \$114 weekends and holidays; \$104 midweek.

**Peppermint Rosemary Elegance** is an invigorating warm stone and peppermint body treatment. The herbal-salt scrub provides a refreshing and invigorating boost after any activity. The 50-minute treatment is \$119 weekends and holidays; \$109 midweek.

**Winter Fig Manicure and Pedicure** begins with fig and pomegranate essential oils infused with Dead Sea salts to polish and soften the skin.
