

Stay More and Play More Golf in Paradise at Four Seasons Resort Lanai

Extend golf vacations with complimentary nights

LANA'I, HAWAII'I, April 10, 2018 – There never seems to be enough time on a golf vacation, which is why the spectacular Four Seasons Resort Lanai is offering “Stay Longer” options that can stretch a golf trip for free. An extra day or two is ideal for playing another round on the Jack Nicklaus Signature Manele Course as well as allowing more time to explore the island paradise.

Situated on Lanai’s southern coast, Four Seasons Resort Lanai offers a gateway to an unspoiled Hawaiian escape. Off the golf course, resort activities include unlimited tennis on the Plexipave or Har-Tru Green Clay courts; lounging by the swimming pools or at the beach; luxury retail boutiques for shopping; and relaxing treatments at the spa.

Two “Stay Longer” options have been created to help guests extend their visit, offering:

1. A complimentary room night with every four consecutive paid nights, now through Dec. 15, 2018.
2. For a limited time, this summer – from June 30 to Aug. 25, 2018 – a complimentary sixth night is available with five paid nights.

Golfers get more time on the Manele Course, one of the game’s great venues yet still uncrowded. The breathtaking layout is built on lava outcroppings and features three holes along rugged oceanside cliffs as well as views of the Pacific from all 18 holes. The back nine (Ocean nine) is so visually striking that the resort offers tours each Friday at sunset.

Golfers can further enhance their stays and explore the island with the resort’s new “Love Lanai Unlimited Activities Pass,” for which provides guests with a selection of unlimited daily activities within the resort and throughout Lanai, including tours and pursuits on land, water, and in the air. Cost is \$400 per night for two adults (includes complimentary nights).

Recently named “Best Hotel in the USA” by *U.S. News & World Report*, Four Seasons Resort Lāna’i features 213 guestrooms and suites in a series of low-rise buildings spread along the Pa-

cific coastline and surrounded by Hawaiian botanical gardens. Dining experiences include the signature ONE FORTY restaurant, Malibu Farm, and NOBU LANAI, as well as the amazing VIEWS at the golf course.
