

QUIVIRA LOS CABOS TAPS TABER ANDERSON AS NEW CEO/MANAGING DIRECTOR

LOS CABOS, Mexico (July 26, 2018) – Taber Anderson, a real estate investment and development veteran with more than 30 years of industry experience, has been named CEO/Managing Director of Quivira Los Cabos, Mexico’s premier luxury residential resort community located at Land’s End on the tip of the Baja Peninsula along a dazzling three-mile stretch of pristine beach.

Anderson’s professional portfolio includes the development of award-winning master-planned communities in Arizona, New Mexico, Hawaii and Scotland. His extensive luxury development experience includes his direction of the \$330 million Montelucia Resort, Spa and Villas development in Paradise Valley, Ariz.

“Taber’s extensive luxury development experience will have a very positive impact on Quivira Los Cabos,” said Alberto Coppel, C.E.O. of Quivira Los Cabos and Pueblo Bonito Golf & Spa Resorts. “With the St. Regis hotel breaking ground soon and new residential properties in the pipeline, Quivira is one of the most ambitious resort community developments in all of Mexico.”

Prior to joining Quivira Los Cabos, Anderson was instrumental in assembling an all-star roster of real estate professionals in forming The True Life Companies, as well as its off-shoot Symmetry Companies, a resort-focused residential development company. He also navigated the negotiations and acquisitions of two distressed, but well-positioned luxury communities in Arizona and one in Hawaii, all of which ultimately launched Symmetry.

His expertise lies with real estate investment, infrastructure development, planning and construction of community amenities, and custom and production home building.

“I have long believed in a holistic approach to luxury residential development, offering true enrichment for the property owners,” said Anderson, a graduate of Pepperdine University in Malibu, Calif. “I am so honored to have joined the Quivira Los Cabos team and, together, I am confident we will be able to enhance the experiences for all to come and enjoy or live at this incredible piece of paradise.”

Real estate offerings at this serene beachfront enclave, located 10 minutes from downtown Cabo San Lucas, continue to outpace the competition based on their exceptional quality and value, and include Copala, an ocean-view, master-planned community with one-, two- and three-bedroom hacienda-style condos as well as custom homes; and Coronado, a premier 22-acre residential community with 68 single-story, multi-bedroom homes overlooking the cobalt-blue sea and the fairways at Quivira Golf Club.

Recently voted to *Golf Digest's* list of the “World’s 100 Greatest Golf Courses,” Quivira is an epic layout grafted by Jack Nicklaus onto a spectacular site marked by sheer cliffs, massive dunes and desert foothills. Access is limited to Quivira residents and guests of Pueblo Bonito Golf & Spa Resorts.
