Chicago, Illinois (July 16, 2019) – The splendor of Northern Ireland is on full display this week as the country hosts the best golfers in the world and the 148th Open Championship at Royal Portrush Golf Club's Dunluce Links in County Antrim, just northwest of Belfast.

It's no wonder Northern Ireland is quickly rising on the list of most desired places in the world to visit – particularly for those who embrace bucket list golf and unforgettable experiences.

To commemorate the occasion, Garmany Golf is offering a special promotion for travelers who wish to experience all this country has to offer. Garmany Golf is offering a 10% discount on the full Experience to any group of four or more that books a minimum 7-night Northern Ireland Golf Experience before July 31, 2019. Travel must occur within 18 months of booking and is subject to availability. There is something for everyone in [Northern Ireland](#)—stunning coastlines, jaw-dropping scenery, great shopping, emerging culinary experiences at world-class restaurants, a remarkable history and culture, medieval castles, one-of-a kind tourist attractions, a lively music scene, and incredible bucket list golf. This is not the Northern Ireland of 30 years ago, although its rich history has woven the fabric of the renaissance we experience today. This is the Northern Ireland that has given us golf greats Graeme McDowell, Rory McIlroy, David Feherty, Darren Clarke, as well as Game of Thrones and Van Morrison.

There are literally dozens of other fantastic courses, lovely hotels, and attractions that grace Northern Ireland. To book a personalized Northern Ireland Experience, contact Garmany Golf at (408) 755-9405 or www.garmanygolf.com.
