**LaCentre Conference & Banquet Facility Winner
In 2019 *Cleveland Magazine* Readership Voting**

DALLAS (Aug. 7, 2019) — [LaCentre Conference & Banquet Facility](#) has once again been recognized by *Cleveland Magazine* for its expertise in planning and hosting weddings. Located in Westlake, 12 miles west of Cleveland, LaCentre has earned the title of “Best Wedding Venue” by the publication in its 2019 “[Best of the West](#)” readers’ poll. LaCentre earned similar honors from the magazine’s readers in 2016, 2017 and 2018.

The West Side community’s premier wedding and events venue, LaCentre has served the greater Cleveland area for 14 years. The experienced, detail-oriented production staff at LaCentre plans nearly 50 weddings a year, from intimate family gatherings to elaborate celebrations for as many as 600 guests.

“Winning an award such as ‘Best of the West’ is a reflection of the strength of our special events team and speaks volumes to their passion and dedication,” said Michael Levick, the facility’s general manager. “Whether it’s a wedding, or any type of celebratory or corporate event, LaCentre guests are able to experience service above and beyond what they may be accustomed to receiving elsewhere.”

LaCentre’s reputation for excellence did not go unnoticed by the leadership at *Cleveland Magazine*, which returned to the property for its 2019 Best of the West awards night event – a gala that showcased LaCentre’s multi-faceted services and testimony to its ability to host some of the largest special events in the Northeast Ohio region.

Home to Cleveland’s leading experts in culturally diverse weddings, LaCentre was recognized for providing techniques that reliably meet specific requirements and the distinct demands for food, décor, family traditions, and more. Levick said his wedding team works with the region’s most reliable and respected vendors –

including caterers, bakers, linen and lighting companies, and disc jockeys – to ensure each wedding is nothing short of memorable.

“We allow the bride and groom to actively be part of the planning process, and then we carry out their vision so they can relax and enjoy their special day,” Levick said. “Brides and grooms who have been married at LaCentre will point to our impeccable service, focus on details both small and large, and overwhelming efforts to going above and beyond. It is our commitment to them.”

LaCentre has more than 21,000 square feet of space, highlighted by the Champagne Ballroom, with four distinctive salons that can be utilized separately, or together, and the Bordeaux Ballroom, with three salons, which also can be combined. An indoor/outdoor reception courtyard is another popular venue.

In addition to weddings, LaCentre’s location – in close proximity of Cleveland Hopkins International Airport, hotels, and downtown Cleveland – makes it ideal for corporate seminars and conferences. LaCentre also has become a popular location for high school proms and after-prom events within the tri-county area. Moreover, LaCentre is poised to create and carry out dinner events and small intimate gatherings.
