A RETURN TO PARADISE: VILLA DEL PALMAR BEACH RESORT & SPA RE-OPENS

LORETO, Baja California Sur, Mexico (June 23, 2020) -- Villa del Palmar Beach Resort & Spa, located on the east coast of the Baja Peninsula has reopened. The resort's beautiful setting, notable for its abundant outdoor activities and open spaces, has taken all the precautions to make travelers feel safe and secure upon their return.

The resort sits on a sprawling stretch of white-sand beach along Danzante Bay in the Islands of Loreto, where the natural habitat includes 900 species of fish and unspoiled, clear waters. Guests enjoy world-class sport fishing, swimming, snorkeling, paddle boarding, kayaking, and seasonal whale watching.

The property has six swimming pools, tennis courts, miles of well-marked hiking trails and plenty of open space for social distancing. There are four on-property restaurants, with abundant outdoor seating, in addition to a fully stocked grocery and sundries market. New health and safety guidelines will be in place throughout the resort.

"We understand that travelers are aware of new social distancing and hygiene protocols and at Villa del Palmar Loreto we're committed to ensuring a safe environment for our guests, staff

and our community. Our guests and co-workers are our most valuable resources—and the focus of our dedication and continued commitment to excellence," said Sixto Navarro, General Manager. "Guests will notice only slight differences in how we offer our services from a few months ago. However, we believe these changes will make for a better overall experience."

Coupled with attractive airfares and direct service to Loreto (LTO) from Los Angeles International Airport (LAX) on Alaska Airlines, it is easier than ever to return to this paradise.

Currently, the resort is offering a 100% Flexible Vacations package that allows guests to cancel plans with no restrictions and full refunds. Guests may make unlimited modifications with no fees and only a one-night deposit is required. For more information visit https://villadelpalmarloreto.com/specials/100-flexible.

TPC Danzante Bay, the resort's award-winning Rees Jones designed golf course, has also implemented additional safety measures. Guests will be asked to handle their own golf clubs and equipment to and from their rooms and the golf course.

Located 300 miles north of Los Cabos, Loreto is only a two-hour flight from LAX via Alaska Airlines; Volaris Airlines offers regular flights from Tijuana to Loreto.

Lodging reservations can be made by calling toll-free at 800/790-4187 from the United States or Canada, or 800/838-2662 from Mexico. For more information about the resort and golf course, visit https://villadelpalmarloreto.com.
